

FPI 600

Desktop convenience

Time saving and
cost effective

Simple and easy
to operate

Fold, insert and
seal envelopes

Processing up to 1,350 letters per hour, this folder inserter makes folding, inserting and sealing 10x quicker than a manual process. The FPI 600 is perfect for your office with its quiet operation and desktop design. Coupling the FPI 600 with your franking machine gives you the capabilities of a mini-mailroom.

FLEXIBLE DESKTOP INSERTING

Use the FPI 600 to quickly and easily add response-cards, flyers and return envelopes or use the folding function to produce pre-folded flyers.

SIMPLE AND POWERFUL

The FPI 600 is operated intuitively from a clear user-friendly display panel which uses step by step prompts. The clamshell design allows for ease of access for servicing.
