Why do you need a franking machine when you can use stamps?

Why do you need an espresso coffee maker, a laptop a smart phone...
Simple – these things make life easier and more convienient.

10 different customisable advertising slogans means that you can advertise on every letter that goes out.

PostBase mini puts you in complete control all at the push of its colour touch screen.

Perfectly clear

The PostBase mini is operated intuitively from a 3.5" colour touchscreen and a simple to use smartphone style operating system,

Low cost per impression

FP's PostBase mini is perfectly affordable with its low cost per impression.
With a high resolution imprint the PostBase mini is an excellent way to get your business advertised on every mail piece.

Never overpay for postage

PostBase mini has a built in scale with 5 colour options and ALL Royal Mail rates for you to select.
PostBase minis built in 2kg Royal Mail scale you never under or over pay for postage with PostBase mini.
